Pinot Noir is born in the heart of Oregon wine country, where ancient soils cover the famous slopes of the Cascades and the Coastal Range. The lava flows of 15 million years ago are now the rich volcanic soils treasured by some of the world's great winemakers.

2021 Row 503 Pinot Noir

Willamette Valley

Varietal: 100% Pinot Noir
AVA: Willamette Valley, Oregon
ABV: 13.9%
Bottled in: Eco-Glass - 20% lighter

- Always elegant, authentic Oregon Pinot Noir that would be approachable young.
- 25% of the fruit comes from the famous Roserock Vineyard.
- Row 503's reputation is that of high-quality and value.

The 2021 Vintage:

- In the Willamette Valley an arid and warm spring led to an even warmer, drier summer with notable heat spikes.
- The vines remained healthy, and as temperatures cooled in mid-September, harvest was able to stretch out over three smooth weeks, ending in early October.
- After a dramatic growing season, the vines delivered grapes with complex flavors, incredible balance, and layers of elegance.

Tasting Notes:

- A beautiful cuvée. Its lustrous garnet color is immediately striking, and aromatics of summery red cherry, red plum, and light warm spice characters leap from the glass.
- The palate is fresh and fruit-driven to the core.
