

G.E. Massenez

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

The Flagship of the MASSENEZ Brand

Prisonere Pear captivates with its olfactory and gustative qualities and the pear-shaped bottle with a whole pear inside.

The bottle is simply attached to the pear tree in flower... so the fruit develops inside the bottle. When it ripens, the fruit and the bottle are carefully detached.

Aspect: Colourless, typical fruit Brandy brilliance.

Nose: Clean and sustained with no strange notes.
Pear is revealed at the first nose. Fruity, fresh and intense.

Palate: Subtle and elegant on the palate. In the mouth, the Pear flavour is intense and provides great freshness. Midpalate it evolves towards ripe fruit. Final spicy note with a hint of liquorice typical of Williams Pear.
A very harmonious Brandy.

G.E. Massenez Poire Prisonnière **The Wine Enthusiast - 98 Points**

Juicy and mouthwatering, with lots of bold fruit on the palate plus a subtle flick of vanilla, this Williams pear brandy would make a lovely dessert accompaniment or after-dinner sip. Gift-worthy presentation includes a pear-shaped bottle with a whole pear imprisoned inside.
