Massenez Garden Party® Basil Liqueur

Garden Party is a range of single-flavored liqueurs capturing the essence of fresh herbs or vegetables.

Massenez further asserts its legitimacy in the cocktail world with this unique range of liqueurs called Garden Party! Leveraging on its expertise in macerating & distilling fruits, Massenez has found the secret to preserve a whole new range of aromas.

The fashionable «skinny cocktail» finally finds an ally: just a drop is enough to obtain an aromatic explosion. Exclusive and avant-garde, the Garden Party range demonstrates once again the desire of the Massenez Distillery to meet the needs of professionals by offering them incomparable quality. Mixologists and renowned chefs have already adopted it in their recipes. With its bucolic accents, Garden Party is a real invitation to freshness!

The Making of Garden Party

Garden Party is a maceration of fresh herbs or vegetables grown organically, macerated in neutral grain alcohol, then distilled in copper stills. After further reduction, beet sugar is added (100g/liter), et voilà!

Selection of fresh & organic ingredients

Maceration in neutral grain alcohol
