Château de Campuget was established in 1942 and is a top quality estate near Nîmes, which is steeped in history. The Château itself was built in 1753 and at the same time the first vines were planted, prompting the '1753' range of wines which mark this historic date. Now in the hands of winemaker Franck-Lin Dalle, who is the third generation of his family to run the estate, the fusion of tradition and progression unites in the cellars where Franck-Lin deftly crafts wines with integrity, finesse and a wonderful expression of terroir from a wide range of traditional Rhône varieties.

In 2019, Château de Campuget was certified as **Haute Valeur Environnementale**, which officially recognises the environmental performance of winegrowers, including biodiversity conservation, plant protection strategies, managed fertiliser use and water resource management.

The vines also benefit from the Mediterranean sunshine, which bring the grapes to perfect maturity and allows them to be picked at maximum phenolic maturity in early September. The vineyard is sustainably managed in accordance with the HVE Certification.

**Vegan? Yes!** Campuget doesn't use any product coming from animals (no milk, no eggs, no fish, no meat) in any of their wines. Fining is done with vegetable proteins and mineral products.

**Vineyards:** Strict canopy management provides the vines with just the right amount of sun and shade to produce healthy and balanced fruit. The soils are formed of pebbles with alluvia.

**Winemaking:** This wine comes from a selection of grapes from our best vines. Vinified traditionally, it is aged in barrels.

**Tasting Note:** Its color is a dark red drawing on the garnet. Its nose, very expressive, delivers intense aromas of ripe red and black fruits and vanilla notes. In the mouth, its structure is concentrated but all in roundness. Its very persistent fruity leaves in the final an impression of power, revealing its strong potential.

**Ageing:** It is a wine of guard which will reach its full maturity in 3 years and will keep for at least 10 years.

**Accompaniment:** It will be perfect with meat in sauce or game.
