

Paco & Lola Albariño 2021

Why name a wine Paco & Lola?

Why not? Wine doesn't have to be boring or serious. Wine can be attractive, seductive, fresh and fun. A wine like Paco & Lola, Spain's most stylish wine, can do things a little differently.

The freshest, most fun, most chic Albariño of the Rías Baixas. It makes you feel good to be alive and gets everyone smiling whenever a bottle is cracked open! The flagship brand of the winery!

Sustainable production

From its beginning, Paco & Lola has been actively involved in sustainable production through its integrated management of winegrape growing practices that ensure the maximum respect for the environment. We are one of three members of LIFE + Viñas Atlánticas (LIFE + Atlantic Vineyards), an innovative project through which winegrowers are committed to minimizing the use of chemical products using a variety of techniques and coordinated actions within the Environmental Management System.
