### History & Tradition:

In the shadow of its illustrious neighbours (Gevrey and Chambolle), Morey-Saint-Denis did not become a separate appellation until 1935 ("Appellation d'Origine Contrôlée" laws).

Soil: a mix of chalky marl with broken-up white stones from the limestone underlayer

### Viticulture:

- Plantation density: 10,000 vinestocks/ha in order to extract as much as possible from the terroir and limit the production of each vine stock. Pruning: Guyot.
- Grape Supply: grapes and wines provided by regular supply partners.

### Vinification:

Maceration: maceration and vinification take 2 to 3 weeks indigenous yeasts maceration and fermentation temperatures under total control.

### Ageing:

- **Type:** in barrels (20% in new oak)
- **Length:** 14 to 18 months.
- **Origin of the wood:** French oak forests

**Tasting note by Véronique Boss-Drouhin** - "A really great wine, appreciated by the Burgundy connoisseur for the diversity of its aromas and flavours. It has a beautiful ruby color, a seductive nose dominated by aromas of wild cherry and spice, evolving towards leather. A certain chewiness in the mouth, with fine and noble tannins providing the structure. Ample and fruity aftertaste".

**Serving Temp:** 61-62°F.      **Cellaring:** 3 to 15 years.

**2020 Vintage:** This vintage was marked by a concentration of juice in the berries just before the harvest. The wines show a very nice intense ruby colour. The nose is complex and very expressive of red fruits and black fruits but above all the expressions of the terroirs are already noticeable.
