2022 CLOUDLINE ROSÉ OF PINOT NOIR WILLAMETTE VALLEY, OREGON

Cloudline launched with a simple idea: Give wine lovers an authentic, high value Willamette Valley Pinot Noir, made by Burgundy's Drouhin Family, in their classic style. And it's been a hit ever since the debut 2002 vintage.

For the 3rd time, we've produced a Cloudline Rosé of Pinot Noir - the perfect spring-summer companion to one of Oregon's most popular wines. All fruit is sourced from low-yield vineyards in the Willamette Valley.

Grape Variety: 100% Pinot Noir

ABV: 13.5%

AVA: Willamette Valley, Oregon

Bottled in: Eco-Glass - 20% lighter

2022 Vintage:

The 2022 growing season commenced with great optimism as buds began to burst in early April. However, this jubilant atmosphere was short-lived. An unprecedented arctic air mass from the north swept in, bringing snowfall, below-freezing temperatures, and the first-ever frost to impact our vineyards. Subsequently, cool and damp conditions prevailed for several months, causing vine growth to lag behind by 2-4 weeks by June. Mother Nature bestowed us with abundant sunshine and higher-than-average temperatures as the harvest approached, resulting in a gentle conclusion to the season and excellent fruit ripeness. While the Pinot Noir crop volumes were lower than usual, the quality of the fruit was exceptional - a compromise that we gladly accept. As with many Willamette Valley vintages, farmers will remember the disasters averted, and wine lovers will revel in the deliciousness revealed.

Tasting Notes:

The 2022 Cloudline Rosé is summer in a bottle! A beautiful pink color and aromas of fresh strawberries and peaches are the invitation. The flavors are bright and juicy, with berry and citrus fruits playing on the palate. It's light, easy to drink, and perfect for any occasion that benefits from a bottle of well-made joy.
