

Dreyfus, Ashby & Co.
PURVEYORS OF FINE WINES & SPIRITS SINCE 1946

Château de Campuget was established in 1942 and is a top quality estate near Nîmes, which is steeped in history. The Château itself was built in 1753 and at the same time the first vines were planted, prompting the '1753' range of wines which mark this historic date. Now in the hands of winemaker Franck-Lin Dalle, who is the third generation of his family to run the estate, the fusion of tradition and progression unites in the cellars where Franck-Lin deftly crafts wines with integrity, finesse and a wonderful expression of terroir from a wide range of traditional Rhône varieties.

In 2019, Château de Campuget was certified as **Haute Valeur Environnementale**, which officially recognises the environmental performance of winegrowers, including biodiversity conservation, plant protection strategies, managed fertiliser use and water resource management.

The vines also benefit from the Mediterranean sunshine, which bring the grapes to perfect maturity and allows them to be picked at maximum phenolic maturity in early September. The vineyard is sustainably managed in accordance with the HVE Certification.

1753 Saperavi Sans Soufre 2022

100% Saperavi

Campuget is a family estate. Our Vineyards are situated 15Km south of Nîmes. Costières de Nimes, the easternmost appellation of the Languedoc, is effectively part of the Rhône since the climate, soil and topography are so similar to those just over the river in the southern Côtes-du-Rhône vineyards.

History:

- Saperavi is native to Georgia - Kakheti region - where it has been cultivated for a very long time.
- We find this variety in many countries such as Russia, Bulgaria, the Caucasus, Crimea, ... and we will take care not to confuse it with others, it is true quite close, bearing the name of saperavi generally followed by another name.
- In France, the "real Saperavi" is hardly known.

Wine Making:

- Traditionnal and no sulfites.

Tasting Notes:

- On the nose, the expression of morello cherry is surprising.
- On the palate, the tannins are supple, rich, powerful.
- Finally, a precise and rigorous aging made it possible to keep the wine all its freshness, a guarantee of long aging.
- A surprising grape variety, a real discovery.

CAMPUGET RHONE VALLEY 1753 Saperavi Sans Soufre 2022
