

SPHERA

White Wine Professionals

A boutique winery of exquisite white wines from the Judean Hills of Israel

2021 SPHERA SAUVIGNON BLANC

100% SAUVIGNON BLANC

Crisp and precise, the wine's aroma and palate concur perfectly. An early harvest, minimal intervention and extended fermentation process have preserved the fruits' original essence and produced a direct and bold Sauvignon Blanc - a wine that has no need for compromise.

Vineyard: Kfar Shamai (Purchased grapes from a moshav located in the Upper Galilee)
Vineyard Age: 18 years **Soil Type:** Terra rossa, stone
Vinification: Fermented and aged in stainless steel 7 months.
Technical: SG: 0.989, TA: 6.8, PH: 3.3, RS: Dry, Alc: 12.5%

THE TEAM

Winemaker and co-owner Doron Rav Hon studied viticulture in Burgundy, France, completing his apprenticeship at Domaine Jacques Prieur and a specialization in sparkling wines in Champagne. Precision and minimal intervention define his creative philosophy.

Sima Rav Hon manages all of the winery's operations and focuses on building our brand's unique identity. As she explains: "It's not just about wine. It's a flair that envelopes everything we do."

Doron Rav Hon and Sima Rav Hon

SPHERA is a family project and many of our partners along the way have become our friends. The people in our community also contribute meaningfully to our efforts, as do the glorious vistas of the Judean Hills which echo in our wines and in our hearts.

Givat Yishayahu W.

Soil Type: Terra Rossa, Limestone
Vineyard Age: 4-8 years
Yield Per Dunam: 700-900 kg
Grape varieties: Chardonnay, Chenin Blanc, Semillon
Winegrowers: Shmuel and Yair Tamir

- This vineyard is planted along the Khilil Stream.
- The soil is Alluvial, with a high ratio of rock.
- The soil in these vineyards is quite deep and well drained – allowing the vines to reach satisfactory depth.
- The double trellising method of 440 plants per dunam creates density in the upper growth of the vine, providing a natural shade for the grapes that allows them to mature in optimal conditions.

Givat Yishayahu E.

Soil Type: Terra Rossa, Limestone
Vineyard Age: 12-25 years
Yield Per Dunam: 700-900 kg
Grape varieties: Chardonnay, Rossanne, Riesling
Winegrowers: Shmuel and Yair Tamir

- This Vineyard is planted along the curves of the Shua Stream.
- Each parcel has different characteristics based on its location. We can choose the optimal conditions for each varietal.
- Rocky soil for the Riesling and Roussanne, Terra Rossa for the Chardonnay.
- Shua Stream has high side walls that protect the vineyard from direct sunlight in the morning and afternoon.
- This vineyard has traditional trellising at a density of 220 plants per Dunam.
