### History:

Château Bélaïr-Monange was born from the fusion of the vineyards of Châteaux Bélaïr and Magdelaine, both historic First Classified Growths of Saint-Émilion. Tracing its origins back to Roman times, the vineyard of Château Bélaïr is situated at the highest point of Saint-Émilion's famed limestone plateau.

Château Magdelaine, a contiguous cru acquired in 1952, has always been renowned for the remarkable elegance of its wines. Château Bélaïr-Monange expresses the unique style of the greatest parcels of these two complementary terroirs.

An important restructuring of the vineyard was initiated in 2008 immediately following the acquisition of the estate by Ets. Jean-Pierre Moueix. Another wine embodying the inherent qualities of the vineyard – minerality, concentration of red berries, balance and length – emerged in 2014: ANNONCE DE BÉLAIR-MONANGE

Produced in very limited quantities, ANNONCE enjoys the same attention as the Grand Vin: meticulous vineyard work undertaken with respect for the environment followed by a manual harvest once the grapes have reached optimal maturity. Vinification takes place in concrete and stainless-steel vats, where maceration and extraction are gentle and measured in order to allow the fruit its highest expression. The wine is then aged in French oak barrels. Although ANNONCE exhibits great charm in its youth, a few years of cellaring or a few hours of decanting will be largely rewarded.

**96 Points**

*Plum and chocolate aromas with hints of bark and cedar follow through to a medium to full body. Juicy and delicious. Very polished and velvety tannins. Touch of spice at the end. Salty and almost irony underneath. Second wine of Belair, but more like a top cru.*

**Wine Advocate**  
**90 Points**

*The 2020 Annonce from Belair Monange is rich, fleshy and generous, exhibiting aromas of ripe berries, plums, spices and petals, followed by a medium to full-bodied palate framed by powdery tannins.*
