

MIROS de RIBERA

Est. MMIII
BODEGAS PEÑAFIEL
ALMA DEL DUERO

Bodegas Peñafiel

At Bodegas Peñafiel we work from the heart, and keeping a watchful eye on what really matters, offer you the finest delight in the shape of a glass of wine.

BODEGAS DE VANGUARDIA A STATE OF ART WINERY

After a conscientious selection of our vineyards, the wines of Miros de Ribera are made in our winery with a refined care through the entire process.

Our winery is equipped with the most modern technologies, and we make our most remarkable wines respecting the traditional methods. We use a selection of new French oak barrels for ageing our wines. We always provide the appropriate time in the barrel and its bottle rest, for offering a range of balanced, elegant and refined wines.

2018 Silencio de Miros Vendimia Seleccionada D.O. RIBERA DEL DUERO

*Silencio de Miros gets the essence of our most appreciated vineyard: "Rafael's Vineyard".
Located at nearly 3,000 feet high under the watchful eye of the Castle of Peñafiel.*

From the appreciated "Golden Mile", this wine is cuddled from the harvest, to the bottle, resting in new French oak barrels the right and proper time that our winemaker decides according to the characteristics of each vintage.

Blend: Tinta Fina (Tempranillo) from Rafael's Vineyard.

Harvest:

- Late harvested, usually in mid-October.
- Hand-picked using 12 Kg. cases that rest on a refrigeration chamber for 48 hours below 42°F.

Vinification:

- Alcoholic Fermentation – We realize a pre-fermentative cold soak for 52 hours in an inert atmosphere for a better extraction of fruity aromatic compounds from the grape.
- Ferments during 12 days at 82°F in truncated cones stainless steel tanks of 17,000 l. of capacity.
- Malolactic – It remains for 45 days in new French oak barrels of 500 and 225 litres with its fine lees. We do a gentle battonage twice a week for increasing the volume on the palate.

Aging:

- Aged in new French oak barrels for the time that our winemaker decides according to the characteristics of each vintage.

Tasting Notes: Deep red cherry color with violet rim. It shows fresh aromas in the nose, combining red currant, plums and raisins. Also displays some light hints of violets and truffles. Very well integrated aromas with a background of mild coffee toast and light touches of spiciness after being aged in French oak barrels. Powerful, elegant and lively in the mouth, followed by a light astringency typical of this vineyard.

**James Suckling
91 Points**

Aromas of spiced plums and blackberries with hints of cocoa beans, baking spices, cedar wood and smoke. Full-bodied with firm tannins and a dense structure. Ripe and luscious, with a deep core of black fruit and a lingering, chocolatey finish with earthy character. 100% tempranillo. Try after 2023.
