<b>Production:</b>	6,300 bottles
<b>UPC:</b>	856589001002

**Winemaker's Notes:** Purple is our favorite color. You know you're drinking the good stuff when your teeth develop that unmistakable hue. Don't worry, Chad's father Dr. Dan Johnson D.D.S. says, "life is too short to stain your teeth on bad wine." The Stained Tooth Syrah is sourced from some of Washington State's top vineyards including our Stoney Vine Estate Vineyard on The Rocks and Stone Tree Vineyard on the Wahluke Slope. The bouquet floats out of the glass and draws you into all the extraordinary fruit while the ripe tannins provide a silky finish..

**Jeb Dunnuck  
92 Points**

*A co-fermented blend of 97% Syrah and 3% Viognier, the 2020 Syrah Stained Tooth sports a medium ruby/plum color as well as great nose of ripe black raspberry and blueberry fruit, iron, peppery herbs, and bacon fat. It's medium to full-bodied, has lots of fruit, ripe tannins, and an outstanding finish.*

**Also: James Suckling - 91 Points**
