**Producing communes:** Vougeot.

**Supply:**

- This wine comes from grapes harvested on some parcels of the Drouhin Family Properties as well as from grapes and musts purchased from supply partners according to rigorous specifications.

**Vinification:**

- Whole cluster of 20 to 50% depending on the vintage. 2 to 3 weeks of fermentation and maceration in small open vats, marked by punching of the cap and pumping-over. The yeasts are indigenous (natural).

**Ageing:**

- In oak barrels including 30% new oak barrels. The ageing lasts between 16 to 20 months.

**2021 Vintage:**

The vagaries of the 2021 vintage have greatly affected yields, resulting in one of the smallest harvests Burgundy has ever seen. The reds are harmonious and elegant, with lower alcohol concentrations compared to previous vintages. It is a vintage with a rather Burgundian style showing fruitiness and a lot of freshness.

**Tasting note by Véronique Boss-Drouhin:**

A revelation and a true wonder! The ruby red colour is magnificent and takes on a deeper hue with age. The aromas are intense and evoke raspberry and wild cherry, becoming more complex with age: undergrowth, truffle, candied fruit. A sublime structure, with refined tannins. It is a perfect example of this ideal of elegance according to Drouhin. A remarkable balance and a lingering persistence of flavours on the palate. It is a wine that always leaves the greatest impression.

**Service: Cellaring:** 15 to 20 years - **Ageing potential:** 30 yearsn - **Tasting temperature:** 61-62°F
