G.E. Massenez

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromissing on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Rasperry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc… G.E. Massenez has won many awards at international exhibitions.
