

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

Crème de Banane (Banana)

A cream to give you a boost for sure!

Awarded a Bronze medal at the London Spirits Competition 2022, this delicious cream is an ally for all rum-based cocktails in particular!

Massenez's Banana Liqueur has remarkably subtle aromas and a delicate bouquet. Perfect for a dessert dish or a banana-flavored tropical cocktail, the Massenez Crème De Banane has a prominent creamy banana flavor.

The word "Crème" is applied to liqueurs to denote the predominant flavor of that particular drink and usually a higher than normal sugar content.
