

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

## Liqueur de Citronnelle (Lemongrass)

Massenez lemongrass liqueur delights with its vibrant citrus core.

Its taste is reminiscent of zesty orchards under the French sun and is enhanced by an intriguing hint of ginger. This subtle hint of spice balances the citrus, providing a harmonious blend that evokes old world sophistication.

The liqueur has been carefully crafted to provide a smooth and velvety profile, ensuring a perfect balance of sweetness. With an ABV of 25%, this beverage offers a luscious and indulgent drinking experience.
