

G.E. Massenez

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

Crème de Gingembre (Ginger Cream)

An incomparable intensity, strength and elegance in this Ginger Cream.

*A nod to new trends with exoticism that flatters your senses,
but above all, surprising flavor and strength.*

Color:

- Translucent, shiny. Supple texture, marked by lightness.

Nose:

- Strong nose with surprising freshness.
- Ginger is very recognizable and contributes candied fruit notes.

Palate:

- An explosion of flavors in the mouth.
- Initial freshness, quickly followed by spicy, almost candied ginger notes.
- A long finish on those strong, exotic notes.
