

G.E. Massenez

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

Liqueur de Pamplemousse (Grapefruit)

The Massenez Grapefruit Liqueur reproduces all the flavors of fresh grapefruit. A signature of the quality of Massenez' expertise.

Pamplemousse is a delightful grapefruit liqueur from the house of Massenez. Made from 100% pure fruit, it has great intensity with a light zesty acidity.
