

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

G.E. Massenez

Crème de Peche (Peach)

Massenez Peach Crème is distinguished by the finesse of its aromas and the gentleness of its fragrance, so faithful to the sweetness of the original plant.

Color:

- Beautifully brilliant, very fluid gold color. A dense, sweet texture.

Nose:

- An intense nose, reminiscent of freshly picked fruit.
- Sweetness and roundness subtly balanced by light floral notes.

Palate:

- Intense aromatic flavours, round, generous and fruity in the mouth.
- Immediately recognisable peach flavour, with very pleasant floral notes the finish and providing freshness.
