

Born into a family of distillers, G.E. Massenez, with his exceptional savoir-faire, successfully continued the traditional art of distilling eaux-de-vie (fruit brandies), still particularly alive in the Villé region of Alsace, France. These are extraordinary products which are enjoyed all over the world. Uncompromising on quality, G.E. Massenez is today universally acclaimed for his eaux de vie (fruit brandies) such as wild Raspberry and Williams Pear as well as his crèmes liqueurs : Peach, Blackcurrant etc... G.E. Massenez has won many awards at international exhibitions.

LIQUEUR DE POMME VERTE (Green Apple)

The Massenez Green Apple Liqueur is very true to the original fruit. The freshness of the apples, their sweetness and their acidity all come through in this liqueur.

An exceptional liqueur, recognized for its incomparable flavor and awarded a silver medal at the International Spirits Challenge 2022.
