

Blanc de Blancs

95% Chardonnay, 5% Blanc Vrai

Primarily cultivated on the Jurassic Kimmeridgian limestone soil of the Côte des Bar, the Chardonnay expresses itself with a distinctive minerality. A touch of Blanc Vrai complements this unique Blanc de Blancs with a hint of generosity, common to all Drappier cuvées.

Here is a Chardonnay which steps sideways in deference to its terroir, identical to that of a grand cru Chablis, more than a curiosity, a revelation. - Michel Drappier

The Drappier vineyard covers 100 hectares and constitutes the House's essential trump card. Since 1808 our family has used its skill to select parcels of land which are particularly well exposed and extremely rich in limestone. For the most part they are located around Urville, where Pinot Noir, the predominant grape variety, finds its loveliest expression and allows the production of very elegant, aromatic wines.

Tasting notes: The nose brings to mind white peach and pear but also floral notes such as peony. On the palate a mineral Champagne, lightly biscuity, creamy, supple, seductive.

Serving suggestions: Ideal as an aperitif. At the table it goes superbly with white meats, chilled smoked salmon with citrus fruits, tagliatelle with scallops.

Serve at: 45°F.

With 30% of the profits from the sale of this wine donated to charity for Africa, the NV Champagne Blanc De Blancs Brut is from the base vintages of 2019 and 2018 and has the addition of about 10% Pinot Blanc. Pouring a pale yellow, it is classic and forward on opening, with aromas of shortbread, lemon curd, and poached pear. Full-bodied and rounded, it brings more intensity and ripeness through the mid-palate, with candied citrus and a rounded mousse. Long on the palate, it's already in a very generous place and will drink well over the next 10-12 years.
