- Michel Drappier

The Drappier vineyard covers 100 hectares and constitutes the House's essential trump card. Since 1808 our family has used its skill to select parcels of land which are particularly well exposed and extremely rich in limestone. For the most part they are located around Urville, where Pinot Noir, the predominant grape variety, finds its loveliest expression and allows the production of very elegant, aromatic wines.

This deeply berry-cherry-hued rosé Champagne is refined and well-meshed, with a pure beam of pureed raspberry flavors backed by a chiseled spine of acidity. Lively and lacy in texture, with notes of blanched almond, ripe green apple, blood orange zest and pickled ginger. Mouthwatering finish. Drink now through 2026. 500 cases imported. -AN. \$80

The NV Champagne Brut Nature Rosé is also 100% Pinot Noir and gets its pale pink hue from short maceration with the grape skins. It pops with fruity aromas of fresh raspberry, redcurrant, and crushed sea-shells, while the palate is more focused with citrus of grapefruit peel, pomegranate, and saltiness on the finish. It is a lovely, food-friendly rosé that would be fantastic with roast chicken. Drink 2022-2032.
