100% BLACK GRENACHE

PRODUIT ISSU DE L'AGRICULTURE BIOLOGIQUE FR-BIO-01

From organically grown Grenache vines located within La Crau that are more than 100 years old.

“Extremely perfumed, graceful and silky, this is an extremely sensual and beautifully balanced expression of grenache. Full-bodied, but as light as air. I love the floral and creme de cassis aromas.

Super-long finish”.
