The Team

Winemaker and co-owner Doron Rav Hon studied viticulture in Burgundy, France, completing his apprenticeship at Domaine Jacques Prieur and a specialization in sparkling wines in Champagne. Precision and minimal intervention define his creative philosophy. Sima Rav Hon manages all of the winery's operations and focuses on building our brand's unique identity. As she explains: "It's not just about wine. It's a flair that envelopes everything we do."

Doron Rav Hon and Sima Rav Hon

SPHERA is a family project and many of our partners along the way have become our friends. The people in our community also contribute meaningfully to our efforts, as do the glorious vistas of the Judean Hills which echo in our wines and in our hearts.

A remarkably aromatic chardonnay!

Tons of lemon blossom and fresh lemon juice aromas with just a hint of tropical flowers. Excellent concentration and incredible precision on the medium-bodied palate, the long racy finish has crystalline purity. 70% in stainless steel and 30% in 500 liter oak casks. Drink or hold.
