2022 Vintage:

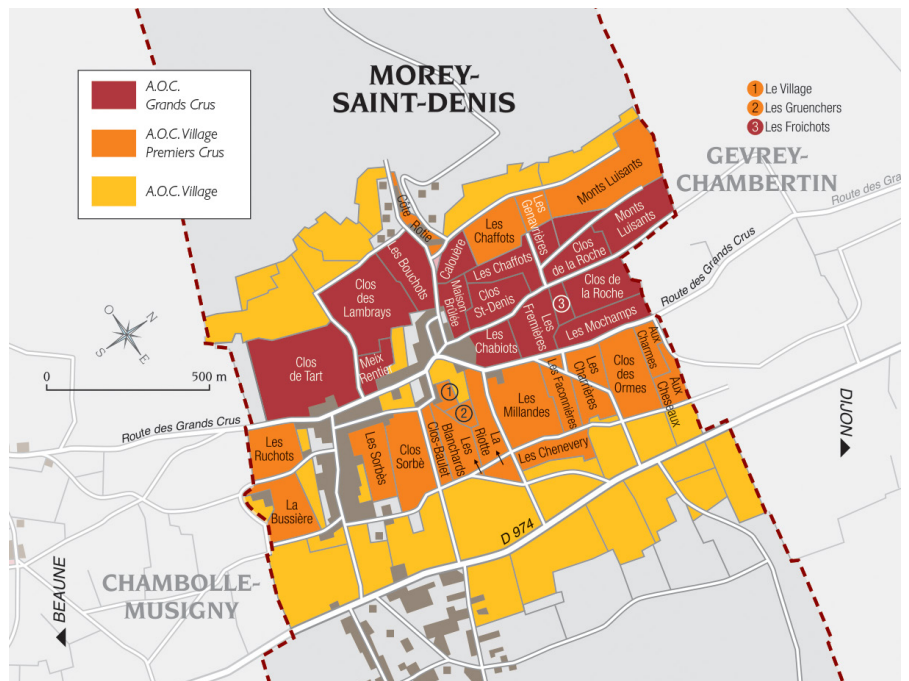

The brightness and intensity of the 2022 reds are impressive. The nose, of great complexity, combines aromas of blackberry, blueberry and blackcurrant with floral scents of peony and violet. On the palate, the spices underline silky, high-quality tannins. Ample, full-bodied and fresh, these wines are an archetype of balance between aromas and structure with a very real ageing potential.

Tasting note by Véronique Boss-Drouhin:

Deep ruby red colour. On the nose, aromas of ripe cherry, lightly spiced up by a touch of cigar and exotic wood. With age, the aromas take on animal or gamey notes. The best time to drink a Clos Saint Denis is when the wine is mature (5 to 10 years of age, depending on the vintages) in order to enjoy the perfect harmony that exists between acidity, « gras » (velvety texture) and tannin. A lingering aftertaste of candied fruit is characteristic of this delicious wine.
