BODEGAS DE VANGUARDIA A STATE OF ART WINERY

After a conscientious selection of our vineyards, the wines of Miros de Ribera are made in our winery with a refined care through the entire process.

Our winery is equipped with the most modern technologies, and we make our most remarkable wines respecting the traditional methods. We use a selection of new French oak barrels for ageing our wines. We always provide the appropriate time in the barrel and its bottle rest, for offering a range of balanced, elegant and refined wines.

Bodegas Peñafiel

At Bodegas Peñafiel we work from the heart, and keeping a watchful eye on what really matters, offer you the finest delight in the shape of a glass of wine.

2019 Miros de Ribera Crianza D.O. RIBERA DEL DUERO

Blend: Wine made with 100% Tempranillo grapes (aka Tinto Fino), from a selection of vineyards located in the DO Ribera del Duero.

Vineyards: Valleys and slope areas with good drainage. Clay soils with limestone striations in the hillside areas, and with stony soils in the lower valley areas. Ideal combination for growing quality vines.

Vinification: Manual harvest in 15 kilo boxes, cold pre-fermentation maceration, in an inert atmosphere to extract the best fruit aromatic compounds from the grape skin. Alcoholic fermentation between 15 and 25 days at a controlled temperature of 29 °C, in truncated conical tanks with a capacity of 17,000L. Malolactic fermentation takes place in tanks.

Aging: In French oak barrels for at least 18 months, after which aging continues in the bottle.

Bottled: Nov 28, 2022

Technical: ALC: 15,5 % vol, T/A: 5,63 g/L

Tasting Notes: With a beautiful red cherry color with ruby rim. It has a very elegant nose with some mineral notes, balsamic, blackberry, raspberry, a background of spicy notes from the wood. Lively on the palate with a very good structure. The wine has a long finish and it shows fleshy and elegant.

Wine Enthusiast-92 Points

Aromas of brambly fruits of the wood, red plum and tobacco leaf set the stage for blackberry, black plum, clove, licorice, dark chocolate and dried thyme flavors. Tannins come on strong and drift away into a smooth finish marked with a whiff of violet.

James Suckling- 91 Points

Blueberries, espresso, cedar, dark plums and vanilla on the nose. Full-bodied, compact and inky, with firm tannins and excellent structure. Savory and meaty at the end. Better in 2024.
