The 2023 Vintage: In 2023, budbreak was unusually late, starting on April 30. Next came an unexpected heat surge and minimal rainfall, a lasting pattern which compressed the period from budbreak to bloom to less than 45 days (a record)! Our vineyards adapted well to these surprises, and when harvest started on September, the fruit looked great. Towards the end of the month, we saw some significant rains. The overall harvest concluded on October 5.

Tasting Notes: Introducing the 2023 Cloudline Pinot Noir, a lively expression of the Willamette Valley. Bursting with vibrant raspberry, cherry, and strawberry aromas, this cuvée invites you in with its fresh personality. On the palate, it balances a round, velvety texture with layers of depth. It's a true welcome to Oregon's premier wine region, full of energy and flavor.

It is simply delicious. Enjoy!
