Bodegas Peñafiel

At Bodegas Peñafiel we work from the heart, and keeping a watchful eye on what really matters, offer you the finest delight in the shape of a glass of wine.

BODEGAS DE VANGUARDIA A STATE OF ART WINERY

After a conscientious selection of our vineyards, the wines of Miro de Ribera are made in our winery with a refined care through the entire process.

Our winery is equipped with the most modern technologies, and we make our most remarkable wines respecting the traditional methods. We use a selection of new French oak barrels for ageing our wines. We always provide the appropriate time in the barrel and its bottle rest, for offering a range of balanced, elegant and refined wines.

2018 Silencio de Miro Vendimia Seleccionada

D.O. RIBERA DEL DUERO - 100% TEMPRANILLO

Rafael: Its distinctive because of its limestone soil, in some parts with a high presence of coarse elements.

In the highest area of the plot, clay soil is strong and has a good water retention capacity.

These textures help us achieve high quality wines, with good body, intensity, and subtlety.

Blend: A wine made with 100% Tempranillo grapes (aka Tinto Fino) coming only from the single vineyard Rafael (Peñafiel)

Harvest: Late harvested, usually in mid-October. Hand-picked using 12 Kg. cases that rest on a refrigeration chamber for 48 hours below 42°F.

Vinification: Once in the winery, the harvest is passed over a sorting table and gently destemmed. Alcoholic fermentation for 12 days at a controlled temperature of 26°C, in truncated conical tanks with a capacity of 17,000 L. Malolactic fermentation in 500L and 225 L French oak barrels, for about 45 days.

Ageing: Aged in French oak barrels for 28 months. After bottling, the wine continues to age in the bottle until it reaches its optimal point.

Technical: Bottled: 11/1/21, ALC: 15,5 % vol, pH: 3.89, T/A: 5,2 g/L

Tasting Notes: Deep red cherry color with violet rim. It shows fresh aromas in the nose, combining red currant, plums and raisins. Also displays some light hints of violets and truffles. Very well integrated aromas with a background of mild coffee toast and light touches of spiciness after being aged in French oak barrels. Powerful, elegant and lively in the mouth, followed by a light astringency typical of this vineyard.

VINOUS-92 POINTS

Garnet-red in hue. The nose presents sour cherry, blackberry, chutney and caramel notes over an oak layer. The palate is broad and voluminous, with reactive tannins and a chalky texture contributing to a concentrated, long-lasting flavor profile.

JAMES SUCKLING-91 POINTS

Aromas of spiced plums and blackberries with hints of cocoa beans, baking spices, cedar wood and smoke. Full-bodied with firm tannins and a dense structure. Ripe and luscious, with a deep core of black fruit and a lingering, chocolatey finish with earthy character.

100% tempranillo. Try after 2023.
