DEPUIS 1753

CAMPUGET

DALLE FAMILY ESTATE

Château de Campuget was established in 1942 and is a top quality estate near Nîmes, which is steeped in history. The Château itself was built in 1753 and at the same time the first vines were planted, prompting the '1753' range of wines which mark this historic date. Now in the hands of winemaker Franck-Lin Dalle, who is the third generation of his family to run the estate, the fusion of tradition and progression unites in the cellars where Franck-Lin deftly crafts wines with integrity, finesse and a wonderful expression of terroir from a wide range of traditional Rhône varieties.

In 2019, Château de Campuget was certified as **Haute Valeur Environmentale,** which officially recognises the environmental performance of winegrowers, including biodiversity conservation, plant protection strategies, managed fertiliser use and water resource management.

The vines also benefit from the Mediterranean sunshine, which bring the grapes to perfect maturity and allows them to be picked at maximum phenolic maturity in early September. The vineyard is sustainably managed in accordance with the HVE Certification.

Costières de Nimes, the easternmost appellation of the Languedoc, is effectively part of the Rhône since the climate, soil and topography are so similar to those just over the river in the southern Côtes-du-Rhône vineyards. The relatively uniform soils are marked by large pebbles on gentle, typically south-facing slopes.

Winemaking

The grapes were cool-harvested at night and then each variety was vinified separately. Fermentation took place with selected yeasts, at controlled cool temperatures with maximum protection again oxidation. The wines were carefully blended to create this cuvée, which was unoaked to retain its fruitiness.

Tasting Note

A refreshingly crisp wine with inviting aromas of fresh peach, leading to a vibrant palate of grapefruit and pear with a delicate hint of spice on the finish.
