

2023 RULLY

VILLAGE WINE - 100% CHARDONNAY

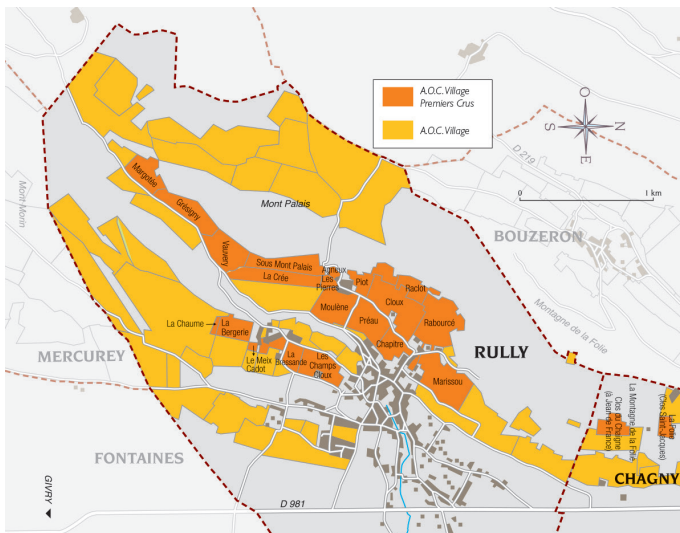

Drouhin consistently makes a wonderful white Rully. It's a fabulous bargain for what it delivers -- and a perfect way to elevate a take-out rotisserie chicken.

This is first rate Rully! - John Gilman

Viticulture: The vineyard site is at the gates of the Côte d'Or, a few kilometers south of Santenay. This appellation is part of the Region of Mercurey. The soil is secondary age limestone layers, in the continuation of Mercurey. Area of the Drouhin Domaine: 3 acres. Biological cultivation since 1990; biodynamic cultivation a few years later. Vine stocks: "sélection massale" done in our own nursery (propagating new vine stocks from a number of selected vines) but also from clones of recognized quality.

Soil maintenance: Manure, white wood, sometimes guano (seabird manure used as fertilizer). Soil is ploughed either by tractor or by horses in order to prevent spreading of weeds. Treatment: only authorized products for biological cultivation are used - infusions and macerations of plant materials, sulfur and copper, powdered rock. Natural predators are not eliminated. Pruning: Guyot. Yield: we aim for a lower yield, such as it existed before the new law. This yield is therefore the present maximum yield minus 20%.

Vinification: Grapes and must are purchased from vineyard owners who are trusted supply partners. Pressing: very slow so as to respect fruit. Juices from the very last pressings are not retained. The wine goes directly into barrels after "débouillage" (decanting to reduce sediment).

Ageing:

- Type: in barrels (20% in new oak).
- Length: 6 to 8 months.

2023 Vintage:

2023 stands out as one of the hottest years in Burgundy, even surpassing 2022. The grapes were harvested at perfect maturity. The wines are very aromatic with notes of yellow fruits mingling with flower hints. The palate is ample and full-bodied. They combine generosity, freshness, and finesse, with a climate that enhances the terroirs without overpowering them. Like 2022, the 2023 vintage is expected to be highly appealing.

Tasting note by Véronique Boss-Drouhin

"A wine full of charm! The colour is a beautiful white gold, with a ravishing purity and brilliance. The aromas are fresh and fruity, with nuances of broom shrub (genêt), almond and delicious preserved citrus notes. On the palate, it is fresh and elegant. A long and delicious aftertaste makes for a lasting impression".

Serving Temperature:

- 55°F.

Cellaring:

- 2 to 5 years.
