

THE DROUHIN FAMILY OF WINES

**2023 BEAUNE LES CRAS
PREMIER CRU**

DECANTER-92 PTS

"More currant aromas touched with black tea and Havana cigar leaf than the slightly plumper Clos des Mouches. The texture is stricter, with more tannin and tension, and less of a supple, velvety character. The edges will soften with time, which should provide a wine of impressive length and elegance".

Dreyfus, Ashby & Co.
