

2023 INGLENOOK BLANCANEAUX

40% VIOGNIER, 33% MARSANNE, 27% ROUSSANNE

Produced since 1999 as a partner to Rubicon, Inglenook's premier red wine, Blancaneaux is a blend of three estate-grown white Rhône varieties. Marsanne and Roussanne contribute body and minerality, while Viognier adds intense aromas of tropical fruits. These varieties are grown in vineyard blocks that enjoy full morning sun but are in the cooling shadow of Mount St. John by mid-afternoon.

2023 Vintage Notes:

A winter of generous rainfall provided abundant soil moisture to start the 2023 growing season. Wet and cold winter soils contributed to timely bud break while a cool early spring prolonged the development from bud break through bloom. Thanks to the abundant soil moisture, the canopies flourished, ensuring the vines had ample resources for ripening the crop. Bloom occurred in June under ideal conditions, with perfect temperatures and humidity for a successful fruit set. The

extended growing season allowed the fruit to retain the fresh character of Marsanne and Roussanne, while enhancing the vibrant bouquet of Viognier. Harvest for our Blancaneaux program began with the Château Viognier block on September 19th, concluding with our Roussanne block in Pritchett Hill on September 28th.

Winemaker's Tasting Notes:

The 2023 Inglenook Blancaneaux, a blend of Marsanne, Roussanne, and Viognier, opens with beautiful white floral aromas elegantly balanced with a touch of lemon. On the palate, the roundness from the Viognier provides a smooth and supple texture, while the finish is lengthy and graceful. Subtle aromas of coriander add a layer of complexity, making this wine both aromatic and well-balanced.

Appellation

Rutherford, Napa Valley

Vineyard:

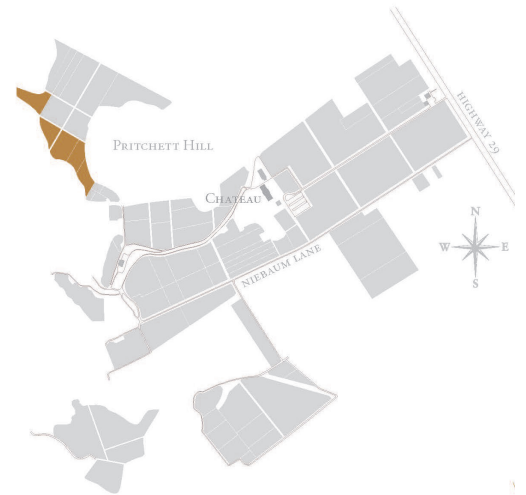

Apple, Saddle, Chateau

Blend:

40% Viognier, 33% Marsanne,
27% Roussanne
