PURVEYORS OF FINE WINES & SPIRITS SINCE 1946

French winemaker and famous wine consultant Michel Rolland has earned a reputation in Argentina and around the world for his ability to find unique vineyard sites that can produce the highest quality grapes. The Mariflor vineyard has come to life based on a vision Michel and Dany had when they first laid eyes on the Uco Valley's rocky soil and dessert climate set against the Andes peaks.

The Mariflor vineyard, from which the grapes for all Mariflor wines are grown, spans 247 acres located on Michel Rolland's 2,100 acre Clos de los Siete estate on the immense plain of Vista Flores in the Valle de Uco at the foot of the fabulous and impressive Cordillera in Argentina. Michel and his wife Dany, also an acclaimed winemaker, are personally in charge of the Mariflor portion of the estate, which lies along the western edge at its highest elevation (3300 feet), nearest the Andes. A majority of the vines, 148 acres, is dedicated to growing Cabernet Sauvignon, Syrah, Merlot and Cabernet Franc. Mariflor also grows Pinot Noir, Sauvignon Blanc and Petit Verdot.

### Tasting Notes:

"Charming and mouthfilling..." Fairly deep crimson colour. The nose is intense with aromas of ripe red fruit accompanied by retronasal floral notes. Charming and mouthfilling with a beautiful structure and fine tannins on the finish. 2019, a great vintage that will benefit from a little more ageing.

### ALSO: VINOUS-90 PTS

*"It opens with cherry and herb notes, showcasing a reductive character along with flint and damp earth aromas. With a lovely expression that reveals richness and maturity, this offers a well-defined palate in flavor and structure. It presents a savory, fairly clingy profile from a warm vintage".*
