Rosé de Saignée, it's the purity of summer fruit. It's Mummy coming back from the orchard, her apron full of cherries, strawberries and raspberries. - Michel Drappier

The Drappier vineyard covers 100 hectares and constitutes the House's essential trump card. Since 1808 our family has used its skill to select parcels of land which are particularly well exposed and extremely rich in limestone. For the most part they are located around Urville, where Pinot Noir, the predominant grape variety, finds its loveliest expression and allows the production of very elegant, aromatic wines.

WINE ADVOCATE-90 POINTS

Entirely crafted from Pinot Noir and disgorged with a dosage of four grams per liter, the NV Brut Rosé de Saignée offers up aromas of strawberries, mint, spices and crushed stones. Moderately weighted and tense, it's nicely phenolic, with an incisive, lively mid-palate that concludes with a long, mouthwatering finish and delicate strawberry notes. Five percent of the wines are matured in foudres.
