**JEB DUNNUCK  
95 POINTS**

"One of my favorite cuvées in the world and always a Grenache lover's dream". "It has a medium ruby hue and gorgeous notes of blackberries, black raspberries, Provençal garrigue, pepper, and loamy soil. With medium to full-bodied richness, it's balanced and has a layered, elegant mouthfeel, ripe tannins, and a great finish. Very much in the more mid-weight, accessible style of the vintage, It will still evolve gracefully for 15 years".
